Assessment Requirements for MSMRV402 Assess, quote and organise recreational vehicle repairs and services

Release: 1

Assessment Requirements for MSMRV402 Assess, quote and organise recreational vehicle repairs and services

Modification History

Release 1. Newly created unit.

Performance Evidence

There must be evidence the candidate has completed the tasks in the elements and performance criteria of this unit of competency and has demonstrated the ability to assess, quote and organise:

- a repair to a recreational vehicle on at least one occasion
- service of a recreational vehicle on at least one occasion
- a repair or service of a recreational vehicle on at least one occasion, bringing the total number of occasions to three.

On at least one of the above occasions, there must be more than one option for the repair/service.

Knowledge Evidence

There must be evidence the candidate knows:

- requirements relevant to the performance criteria of:
 - *AS/NZS 5601.2 Gas installations LP Gas installations in caravans and boats for non-propulsive purposes*
 - *AS/NZS 3001 Electrical installations - Transportable structures and vehicles including their site supplies*
 - the *Road Vehicle Standards Act 2018*
 - Australian design rules
- manufacturer's instructions and other relevant information, including manuals for repair and service work on common types and models of recreational vehicles
- workplace policies and procedures relevant to their job role and responsibilities including for:
 - assessing, quoting and organising recreational vehicle repairs and services
 - communication and reporting
 - quality assurance
 - work health and safety, including personal protective equipment
 - work planning
- the most common issues that can arise when assessing, quoting and organising recreational vehicle repairs and services and how to avoid and respond to them
- how to identify if recreational vehicle repairs and services have been assessed, quoted and organised correctly.

-

Assessment Conditions

Skills must have been demonstrated in the workplace or a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources to assess, quote and organise recreational vehicle repairs and services, including:
 - recreational vehicles in need of repair and service
 - a customer with whom to discuss options and present a quotation
 - workplace procedures including costing and pricing policies.

Assessors of this unit must satisfy the NVR/AQTF mandatory competency requirements for assessors.
