Assessment Requirements for MSS027015 Provide environmental advice to clients

Release: 1

Assessment Requirements for MSS027015 Provide environmental advice to clients

Modification History

Release 1. Updated unit code. Changes to elements and performance criteria. Range of conditions removed. Assessment requirements amended. Equivalent outcome.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and:

- provided reliable environmental advice both verbally and in writing to at least 2 different clients about environmental issues, problems or aspects of environmental management plans, policies and procedures that are relevant to a specific site, project or program.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- environmental protection and management terminology, concepts and principles relevant to job role
- sources of environmental information relevant to job role
- environmental legislative and regulatory requirements and responsibilities relevant to site, project or program
- workplace environmental management plans, workplace procedures for identifying and assessing environmental risks and impacts, providing advice and responding to environmental incidents
- specific site, project or program characteristics, nature of activities conducted at site, environmental management values, environmental issues, risks and impacts; recommended control measures and management actions
- workplace procedures for managing security and confidentiality of information, managing client relations, responding to complaints, release of authorised advice, records management and reporting.
- external experts.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions, contingencies, facilities, equipment and resources.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
