Assessment Requirements for MSS402057 Participate in breakthrough improvements

Release: 1

Assessment Requirements for MSS402057 Participate in breakthrough improvements

Modification History

Release 1. Unit code changed. Unit title changed. Application changed. Performance Criteria changed. Foundation Skills populated. Range of Conditions removed. Assessment Requirements changed. Workplace outcome has changed. Supersedes and is not equivalent to MSS402053 Participate in breakthrough improvements in an office.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- participate in at least one breakthrough improvement event by:
 - suggesting at least one measurable improvement
 - implementing and sustaining at least one improvement defined by the event.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- kaizen and kaizen blitz, their differences and complementarity
- how own role contributes to the value stream
- muda (waste)
- simple process or performance metrics relevant to own role
- audit, tracking, monitoring and reporting methods relevant to own role
- underpinning values relevant to competitive systems and practices and their relevance to own work/work area including:
 - respect for people
 - respect for process
 - creation of value and customer perceived value.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources
- modelling of industry operating conditions, including:
 - structured 'kaizen blitz' process(es).

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
