Assessment Requirements for MSS403080 Improve changeovers

Release: 1

Assessment Requirements for MSS403080 Improve changeovers

Modification History

Release 1. Unit code changed. Application changed. Performance Criteria changed. Foundation Skills populated. Range of Conditions removed. Assessment Requirements changed. Supersedes and is equivalent to MSS403084 Improve changeovers.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- map at least 2 changeover processes and identify and implement improvements for each one.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- equipment and processes subject to changeover in own area
- drawing and interpretation of process maps
- internal and external changeover steps
- principles and purpose of quick changeover
- types of muda relevant to the process, products or services including 'required' muda
- methods of minimising muda
- authorisation processes for change.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources
- modelling of industry operating conditions.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
