MSS405085 Develop a documentation control strategy for an organisation

Release: 1

MSS405085 Develop a documentation control strategy for an organisation

Modification History

Release 1. Updated unit code. Range of conditions removed. Assessment requirements amended. Equivalent outcome.

Application

This unit describes the skills and knowledge required to develop and implement a documentation control strategy for an organisation implementing a competitive systems and practices strategy which is part of the value stream for such an organisation. The documentation control strategy might be needed to comply with AS/NZS ISO 9000:2016 Quality management systems - Fundamentals and vocabulary or other reasons.

This unit applies to a manager, technical specialist or similar who is required to use problem solving, initiative, planning and organising skills to develop and/or improve a system to ensure operations and related supporting documents are controlled in a manner which is appropriate for their use in the organisation.

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit

Nil

Competency Field

Competitive systems and practices

Unit Sector

Not applicable
