## Modification History

This version was released with MST Textiles Clothing and Footwear Training Package Release 2.0.

2 electives updated. Equivalent outcome.

Release 2. Supersedes and is equivalent to MST20316 Certificate II in Leather Production (Release 1)

## Qualification Description

This qualification is intended for those who require skills and knowledge for operations in a hide, skin and leather processing enterprise or an enterprise involved in the production of leather goods.

Work relates to a limited range of technical and operational tasks within a production environment. Work is generally supervised and may include some multi-skilled roles.

No occupational licensing or certification requirements exist at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

To be awarded the MST20316 Certificate II in Leather Production, competency must be achieved in **thirteen (13)** units of competency:

- five **(5)** core units of competency
- **eight (8)** elective units of competency.

**Note:** Where prerequisite units are identified they must be counted in the total number of units required for achievement of the qualification.

Packaging for an industry specialisation

In addition to packaging for a generic outcome, elective units of competency can be chosen to meet the specialist skill needs of the following areas of application:

- Hide skin and leather
- Leather fabrication

### Core units of competency
