MST30622 Certificate III in Laundry Operations

Release 1

MST30622 Certificate III in Laundry Operations

Modification History

Release 1. Supersedes and is equivalent to MST30619 Certificate III in Laundry Operations. Core MST unit and core units from BSB Business Services and MSS Sustainability Training Packages updated due to code changes.

Qualification Description

This qualification is intended for those who perform specialised technical tasks or multi-skilled roles within a commercial laundry environment. It includes some supervision of staff.

Work is usually performed in a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, where some discretion and judgement is required in the use of equipment or application of contingency measures and within known time constraints.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.
