Assessment Requirements for NWPTRT094 Operate and control incineration processes

Release: 1

Assessment Requirements for NWPTRT094 Operate and control incineration processes

Modification History

Release	Comments
1	These Assessment Requirements were released in NWP Water Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- solving operational problems
- completing reports and logs
- identifying control system faults
- sampling and testing products
- conducting routine plant inspections
- performing routine calculations when sampling and conducting basic tests
- preparing and applying incineration processes
- making basic system adjustments
- completing required documentation

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- coordination processes
- system layout
- system processes
- lockout procedures for mechanical and electrical installations
- relevant utilities and service bodies
- hazardous materials handling
- environmental aspects of wastewater treatment

- equipment operation, capacity and limitations
- effects of weather and conditions on operation of site or plant
- pipes and fittings
- mechanical and electrical control systems

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
