POL50125 Diploma of Crash Investigation

POL50125 Diploma of Crash Investigation

Modification History

Release	Comments
1	This qualification was first released in POL Police Training Package Release 10.0.

Qualification Description

This qualification allows for the attainment of skills and knowledge in police crash investigation. The qualification covers skills that allow police officers to employ theoretical and technical knowledge, and highly skilled practices in investigations within a police road crash environment.

Policing qualifications have been developed to set agreed minimum standards for police officers that should be contextualised within the specifics of each police jurisdiction, agency and organisation's policies and procedures.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
