POL50325 Diploma of Crash Analysis

POL50325 Diploma of Crash Analysis

Modification History

Release	Comments
1	This qualification was first released in POL Police Training Package Release 10.0.

Qualification Description

This qualification allows for the attainment of skills and knowledge of police employees in road crash analysis. The qualification covers skills to employ technical and theoretical knowledge, and highly skilled analysis practices within a police road crash environment.

Policing qualifications have been developed to set agreed minimum standards for police employees that should be contextualised within the specifics of each police jurisdiction, agency and organisation's legislation, policies and procedures.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
