POL65125 Advanced Diploma of Police Investigation

Release: 1

POL65125 Advanced Diploma of Police Investigation

Modification History

Release 1. This is the first release of this qualification in the POL Police Training Package release 9.0

Qualification Description

This qualification allows for the attainment of general skills in police investigation. The qualification covers skills that allow police staff to employ broad knowledge and highly skilled practice in investigations within a police environment.

Policing qualifications have been developed to set agreed minimum standards for police personnel that should be contextualised within the specifics of each police jurisdiction/agency/organisation's policies and procedures.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Entry to this qualification is open to police personnel who:

- have completed a Diploma of Policing, or equivalent Diploma qualification

OR

- have completed a higher education qualification in policing with a university affiliated with the relevant police jurisdiction

OR

- have a minimum of 2 years equivalent full time workplace experience in a relevant field demonstrating capability to undertake further study at the Advanced Diploma level.

Packaging Rules

A total of 6 units of competency comprising all units listed below:

POLGEN048	Apply media strategies for policing purposes
