POL80125 Graduate Certificate in Police Investigation

Release: 1

POL80125 Graduate Certificate in Police Investigation

Modification History

Release 1. This is the first release of this qualification in the POL Police Training Package release 9.0

Qualification Description

This qualification allows for the attainment of advanced skills in police investigation. This qualification covers skills that allow police to lead, oversee and manage serious and complex investigations.

Policing qualifications have been developed to set agreed minimum standards for police staff that should be contextualised within the specifics of each police jurisdiction/agency/organisation's policies and procedures.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Entry to this qualification is open to police personnel who:

- have completed a Diploma of Policing, or equivalent Diploma qualification

OR

- have completed a higher education qualification in policing with a university affiliated with the relevant police jurisdiction

AND

- have a minimum of 1-year equivalent full time workplace experience in the relevant specialist field demonstrating capability to undertake further study at the Graduate Certificate level.

Packaging Rules

A total of 5 units of competency comprising all units listed below:

POLGEN049	Manage risk within a policing context
POLINV031	Coordinate multi-agency investigations
POLINV032	Lead major investigations
POLINV033	Conduct jurisdictional review of policing practices

POLINV034   Manage complex investigations

Qualification Mapping Information

This qualification replaces and is equivalent POL80119 Graduate Certificate of Police Investigation.
