Assessment Requirements for POLAUX005

Promote public order through policing services

Release: 1

Assessment Requirements for POLAUX005 Promote public order through policing services

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- communicating with individuals and the community
- identifying areas of focus for policing responses
- responding to incidents based on situational requirements, available resources, and risks
- minimising risks to self, colleagues and public
- applying incident scene preservation procedures

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- patrol practices
- command and control/incident response
- legislation relating to offences against persons and property
- policies covering operational response and safety issues
- reporting requirements in relation to operational activities

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
