Assessment Requirements for POLAUX006 Administer legislation in a policing environment

Release: 1

Assessment Requirements for POLAUX006 Administer legislation in a policing environment

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- identifying sources of legislation which relate to policing
- applying legislation to scenarios to inform the use of police powers
- communicating with stakeholders as part of policing responses and judicial processes
- developing briefs of evidence that comply with judicial policies and current legislation

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- hierarchy of Australian court system in relation to police processes
- current Commonwealth, national, state or territory legislation that outlines powers and responsibilities applicable to policing
- offences and the elements that constitute such offences
- rules of evidence
- current and relevant case law and legal precedents, as determined by police jurisdictions
- professional standards

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
