Assessment Requirements for POLAUX011 Participate in police investigations

Release: 1

Assessment Requirements for POLAUX011 Participate in police investigations

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- securing and preserving incident scene and evidence while ensuring the safety of self, colleagues and public
- communicating with internal and external stakeholders
- identifying persons relevant to the investigation, including witnesses, victims and persons of interest
- gathering information and evidence to determine nature of crimes committed
- determining options and facilitating transport of individuals in accordance with jurisdictional policies and procedures

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- jurisdictional policies and procedures relating to exhibit management, including packaging and storage
- jurisdictional legislation, policies and procedures relating to scene establishment and searches of scenes

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
