Assessment Requirements for POLAUX013

Deliver services to local policing area

Release: 1

Assessment Requirements for POLAUX013 Deliver services to local policing area

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- undertaking consultations with members of community
- managing own time and prioritising tasks
- identifying and recognising the needs and expectations of individuals and community
- identifying cultural diversity issues and challenges
- providing advice regarding support services available to individuals and community
- identifying trends to determine potential impact on local policing area including:
 - crime trends
 - social problems
 - high risk behaviour

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- jurisdictional policies and procedures relating to exhibit management, including packaging and storage
- jurisdictional policies and procedures relating to information management systems, including collection, storage and release of information
- community context and associated characteristics

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
