POLAUX013 Deliver services to local policing area

Modification History

Release	Comments
1	This unit was released in POL Police Training Package release 1.0 and meets the Standards for Training Packages.

Application

This unit describes the skills required to apply local policing area knowledge, including gathering information, assessing the local policing context and engaging with communities.

This unit applies to those working as community policing staff, in metropolitan and/or remote areas.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those relating to work health and safety (WHS) and codes of conduct.

Those undertaking this unit would demonstrate autonomy, judgement and limited responsibility within established parameters. They would complete complex tasks in mostly familiar contexts, that can sometimes be unpredictable.

No licensing, legislative or certification requirements apply to unit at the time of publication.
