Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- adhering to duty of care requirements
- identifying provisions of legislative and organisational requirements relevant to assignment instructions
- providing assistance to persons in care, principals and those accessing controlled environments
- planning handover requirements for escorting persons
- communicating verbally and in writing with stakeholders
- managing security of detained persons
- analysing escort requirements, including plans and itineraries, and adapting the requirements of the plan when required
- using transport and equipment safely and effectively

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- close personal protection methodology
- escort and evasive techniques
- jurisdictional information management systems
- jurisdictional legislation, policies and procedures relating to escorting persons in care and principals
- protocols for dealing with dignitaries
- legal provisions relating to use of force
- limits of own responsibility and authority
- requirements for protecting people with special needs

- duty of care requirements and custodial practices

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Consideration must be given to practical assessment for this unit. Refer to advice in the companion volumes.

Consideration must be given to holistic assessment for this unit. Refer to advice in the companion volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
