Assessment Requirements for POLCOV007

Manage intelligence briefings or presentations

Release: 1

Assessment Requirements for POLCOV007 Manage intelligence briefings or presentations

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- collating information from multiple intelligence products or sources
- analysing collated information for key content messages, themes or findings
- organising key information into concise, logical, sequential and reasoned format
- identifying stakeholders with an interest in briefings/presentations content
- employing information technologies to enhance design of briefings/presentations
- planning security compliance measures required of intelligence products
- designing intelligence briefings/presentations for multiple stakeholders' participation
- arranging for stakeholder engagement in briefings/presentations
- co-ordinating arrangements for delivery of briefings/presentations
- delivering briefings/presentations to selected stakeholders
- obtaining participants' evaluations of effectiveness of briefings/presentations
- demonstrating learning benefits from review of participants' evaluations of briefings/presentations
- presenting and questioning to convey, clarify and confirm understanding of essential information

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- communication principles and concepts as applied to briefing/presentation contexts

- information security protocols and management procedures
- motivation and learning engagement theory applied to multiple stakeholders
- information technologies as communication tools for effective briefing/presentation
- evaluation methodology for gathering stakeholder views of briefing/presentation
- intelligence products and related processes and procedures
- stakeholder identification concepts and techniques
- preparation of reasoned, logical and sequential arguments to diverse audiences

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Consideration must be given to holistic assessment for this unit. Refer to advice in the companion volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
