Assessment Requirements for POLCOV072

Manage stress in a covert environment

Release: 1

Assessment Requirements for POLCOV072 Manage stress in a covert environment

Modification History

Release	Comments
1	This unit was released in POL Police Training Package release 8.0

Performance Evidence

The candidate must provide evidence on at least one occasion that they have met the elements and performance criteria and have demonstrated the ability to:

- assess impacts that cause stress in a covert environment
- identify influences that cause stress
- develop strategies to mitigate stress in a covert environment
- communicate and liaise with team members and support services
- develop support networks.

Knowledge Evidence

The candidate must provide demonstrated evidence that they have knowledge of:

- mitigation techniques and strategies to respond to stress
- upholding confidentiality and privacy of personal information
- team dynamics within the context of a covert environment
- jurisdictional support resources
- jurisdictional legislation policies and procedures relating to work health and safety
- psychological influences that may cause stress.

Assessment Conditions

Assessment must occur in operational workplace situations or, where this is not available, in simulated situations that replicate workplace conditions. Assessors of this unit must satisfy relevant vocational education and training legislation, frameworks and/or standards.
