POLCOV088 Manage intelligence briefings or presentations

Release: 1

POLCOV088 Manage intelligence briefings or presentations

Modification History

Release 1. This is the first release of this unit in the POL Police Training Package release 9.0

Application

This unit describes the skills required to plan, manage and review intelligence briefings or presentations within policing.

This unit applies to intelligence practitioners working in the policing environment and responsible for supporting intelligence projects and operations.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those related to the management of information, the use of information technology systems, inter-agency communications and the selection of stakeholder audiences for briefings and presentations.

Those undertaking this unit would demonstrate strong autonomy and make independent decisions about information collection, management, dissemination and review in consultation with intelligence stakeholders with different levels of authority. They would complete complex tasks in a broad range of contexts.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
