Assessment Requirements for POLCOV089

Provide intelligence support to policing responses

Release:

Assessment Requirements for POLCOV089 Provide intelligence support to policing responses

Modification History

Release 1. This is the first release of this unit in the POL Police Training Package release 9.0

Performance Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all the requirements of the elements and performance criteria on at least one occasion and include:

- collecting information to develop intelligence outputs and reviewing their effectiveness
- analysing information for intelligence support responses
- communicating and liaising with multiple stakeholders, including external agencies, to provide optimal intelligence support
- contributing to an intelligence briefing and/or presentation
- creating and documenting intelligence response support plans to meet needs
- deciding which intelligence support matches predefined context and stakeholder needs
- evaluating intelligence support responses for continuous improvement opportunities
- identifying key stakeholders requiring support from intelligence sources
- negotiating and documenting intelligence support timelines and reporting arrangements
- planning intelligence support responses
- recording findings and results in management systems
- reporting findings and results to personnel
- reviewing support to identify and accommodate changes in intelligence needs
- working collaboratively with other partner agencies, key personnel and stakeholders

Knowledge Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all the requirements of the elements and performance criteria and include knowledge of:

- analysis of stakeholder needs
- analytical, problem solving, planning, decision-making and information management methods
- design and development of intelligence outputs
- information collection, analysis and interpretation research methods
- information security protocols and classifications
- jurisdictional communication policies, methods, tools and techniques
- jurisdictional information technologies and their application to intelligence situations
- jurisdictional response policies and procedures
- negotiation methods

Assessment Conditions

Assessment must occur in operational workplace situations or, where this is not available, in simulated situations that replicate workplace conditions.

Assessors of this unit must satisfy relevant vocational education and training legislation, frameworks and/or standards.
