Assessment Requirements for POLGEN017

Work collaboratively in a team environment

Release: 1

Assessment Requirements for POLGEN017 Work collaboratively in a team environment

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- identifying team aims, objectives, roles and responsibilities
- completing team activities to organisational standards and within timeframes
- adapting to changing circumstances and requirements
- communicating with team members in a professional manner
- transmitting knowledge and skills to others
- providing assistance, suggestions and feedback
- demonstrating mediation and negotiation skills in a team environment

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- roles and responsibilities of team members
- interaction and implications of non-colocated/virtual teams
- jurisdictional policies and procedures related to human resources, and communication processes
- support services
- constructive feedback techniques
- communication skills

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
