Assessment Requirements for POLINV030

Conduct investigative interviews

Release:

Assessment Requirements for POLINV030 Conduct investigative interviews

Modification History

Release 1. This is the first release of this unit of competency in the POL Police Training Package release 9.0.

Performance Evidence

The candidate must provide evidence on at least one occasion that they have met the elements and performance criteria and have demonstrated the ability to:

- assess health, wellbeing and competency of interviewee to determine fairness of interview
- develop interview plan that accounts for evidence, exhibits, resources, elements of offence and potential defences
- communicate with participants and interviewee to develop common understanding
- analyse information and behaviour
- demonstrate flexibility in interview process
- handle exhibits
- apply investigative interview techniques to gather information and negate defences
- finalise interview process, complete notes and records in accordance with jurisdictional procedures

Knowledge Evidence

The candidate must provide demonstrated evidence that they have knowledge of:

- jurisdictional strategic objectives
- recording methods and operating procedures of recording equipment
- government and policy environments within which interviews will be managed and factors that may impact on interviews
- relationship between intelligence and interviewing
- interview techniques and points of proof
- legal and ethical considerations in conducting interviews that involve vulnerable persons and/or persons requiring special consideration
- awareness of cultural, religious, gender and linguistic diversity
- post-interview procedures
- jurisdictional policies and procedures related to the use of interpreters, post-interview actions, security, statement collection and interview conduct
- human source management, process and procedures
- disclosure obligations

Assessment Conditions

Assessment must occur in operational workplace situations or, where this is not available, in simulated situations that replicate workplace conditions. Assessors of this unit must satisfy relevant vocational education and training legislation, frameworks and/or standards.
