Assessment Requirements for POLPRO003

Conduct legal research

Release: 1

Assessment Requirements for POLPRO003 Conduct legal research

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- defining issues and parameters for research
- identifying sources of information
- developing and implementing research strategies
- interpreting law and legal precedent
- applying research to brief to provide legal opinion
- developing recommendations

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- current Commonwealth, national, state or territory legislation, jurisdictional policies and procedures which regulate the Rules of Evidence
- jurisdictional information management systems and legal databases
- sources of law
- stakeholder roles and responsibilities
- legal research methodologies
- organisational policy and procedures

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Consideration must be given to holistic assessment for this unit. Refer to advice in the companion volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
