Assessment Requirements for PSPBDR004 Maintain detector dog proficiency

Release: 1

Assessment Requirements for PSPBDR004 Maintain detector dog proficiency

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- deploying detector dogs
- observing and analysing capability and performance
- applying decision making using sound judgment
- organising training schedules
- keeping records
- communicating using styles to suit different audiences

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- enabling and allied legislation and regulations
- organisational policy, procedures, guidelines and protocols
- work health and safety and environment policies and guidelines relating to detector dog program
- detector dog program training and deployment principles
- proficiency maintenance training exercises
- dog's health requirements
- fitness levels
- performance standards
- reporting procedures

- equipment operation, usage and maintenance procedures

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
