Supersedes and is equivalent to PSPBDR014 Command operational forces.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- apply leadership and command in the context of leading patrol operational forces
- conduct research in the context of leading operational forces
- apply relevant procedures to patrol, search, seizure, apprehension and surveillance.
- determine a response to diverse circumstances resulting from situational and resource changes
- justify chosen response to any given situation against legislation, regulations, guidelines, policies and procedures relating to command operations
- complete post patrol reporting.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- enabling and allied legislation
- full range of regulatory powers enforceable by officers
- operational command policy, methodology and principles
- legislation, regulations, guidelines, policies and procedures
- standing operating procedures and protocols
- workplace and industry environment
- operational environment including:
 - geographic location
 - transport mode
 - transaction
 - hours of operation
 - the human elements, the officers; suspects; and persons who work, reside or visit in the environment
 - the situation and intelligence
- workplace technology and equipment including trace detectors such as Ionscan, and specialised X-ray equipment and related systems
- work health and safety and environment policies and guidelines
- risk assessment techniques

- communication systems relevant to the workplace including communications network and radio protocols
- organisational and jurisdictional values, ethics and codes of conduct
- confidentiality, privacy and security issues
- reporting requirements.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, regulations, policies, standing operating procedures and protocols relating to commanding operational forces
- relevant resources and equipment required of working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
