Assessment Requirements for PSPFRU003 Communicate fraud control awareness

Release: 1

Assessment Requirements for PSPFRU003 Communicate fraud control awareness

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- developing and maintaining client relationships
- tailoring sessions to the needs of adult learners and a variety of audiences using adult learning techniques
- explaining complex concepts and formal documents, including legislation, standards and codes of conduct
- using communication styles to suit different audiences and purposes

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- agency structure and core business activities
- fraud and corruption and how they relate to the specific functions and activities of the organisation, together with an understanding of ethical standards required by the organisation of its staff, contractors and suppliers
- jurisdictional fraud and corruption control requirements

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
