Assessment Requirements for PSPGEN006 Handle workplace information

Release: 1

Assessment Requirements for PSPGEN006 Handle workplace information

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- handling files
- handling mail
- applying information security requirements
- applying computer technology to data storage, retrieval and presentation
- converting one information type to another
- applying basic statistical and numerical manipulation
- using problem solving and referring problems as required
- communicating with colleagues and supervisors

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation including work health and safety and environment
- policies, procedures and guidelines relating to information handling in the public sector, including confidentiality, privacy, security, freedom of information
- organisational procedures for handling information
- electronic and manual filing systems
- databases and data storage systems

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
