Assessment Requirements for PSPGEN013 Implement change

Release: 1

Assessment Requirements for PSPGEN013 Implement change

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying public sector legislation, policies and guidelines in an environment of change
- consulting and negotiating with a diverse workforce, including peers and supervisors
- observing and evaluating impact of change
- dealing with ambiguity, emotions and stressors related to implementing change

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation including work health and safety and environment, policies and guidelines relating to public sector environments
- principles of adapting to change, group dynamics and workgroup practices
- emotional intelligence
- at least one change management model

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
