Assessment Requirements for PSPGEN060 Manage performance

Release: 1

Assessment Requirements for PSPGEN060 Manage performance

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying legislation, regulations and policies relating to performance management
- giving feedback on performance
- maintaining confidentiality
- communicating with a diverse workforce including listening, questioning, clarifying, negotiating and managing conflict
- identifying future learning and development requirements
- applying time management

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation including WHS and environment, regulations, policies, procedures and guidelines relating to performance management
- grievance procedures
- disciplinary procedures
- code of conduct
- privacy legislation
- freedom of information
- organisation's performance management system
- organisation's learning and development system
- impact of learning and development opportunities on performance

- remuneration systems

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
