Assessment Requirements for PSPGEN129

Access and use resources

Release: 1

Assessment Requirements for PSPGEN129 Access and use resources

Modification History

Supersedes and is equivalent to PSPGEN004 Access and use resources.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- keep records of resource usage in required formats
- apply legislation and operational procedures related to resources and finances in accordance with organisational requirements
- complete and process orders
- secure information and resources.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- public sector legislation and operational procedures for accessing and using resources in the workplace
- security requirements for resources, facilities, people and information
- principles of fraud control in the public sector
- principles of financial management and stock handling.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- public sector legislation and operational procedures for resource access and use
- resources and equipment of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
