Assessment Requirements for PSPGSD008

Assist government service recipients with complex needs

Release: 1

Assessment Requirements for PSPGSD008 Assist government service recipients with complex needs

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- working with government service recipients with complex needs
- communicating with diverse audiences for purposes including liaison, referral, determining goals
- working with people from diverse backgrounds
- providing individualised service

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- the range of circumstances and complexity of needs in the context of government service delivery
- complex barriers to social and economic participation
- partnerships that will assist government service recipients with complex needs
- individualised plans
- legislation, policy, procedures and protocols relating to government service delivery, including work health and safety and environment

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
