PSPHRM011 Provide leadership in strategic human resource management

Release: 1

PSPHRM011 Provide leadership in strategic human resource management

Modification History

Release	Comments
1	This unit was released in PSP Public Sector Training Package release 1.0 and meets the Standards for Training Packages. This unit supersedes and is equivalent to PSPHR703A Provide leadership in strategic human resource management. • Unit code updated • Content and formatting updated to comply with new standards • All PC transitioned from passive to active voice

Application

This unit describes the skills required to provide leadership in strategic human resource management, adding value to the organisation through the integration of human resource management and planning with the organisation's strategic and business goals. It includes promoting the value of human resources.

This unit applies to those working in roles involving human resource management.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work autonomously, performing complex tasks in a range of familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Competency Field

Human resource management

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe	Performance criteria describe the performance needed to demonstrate

the essential outcomes	achievement of the element. Where bold italicised text is used, further information is detailed in the range of conditions section.
1. Promote the value of human resource function	1.1 Promote the role of human resources management in adding value to the organisation's strategic goals within and across business units. 1.2 Inform the organisation's key stakeholders of current good practice in the area of human resource management and its potential impact. 1.3 Identify, analyse and communicate future human resource trends and issues which might impact upon the organisation to senior management. 1.4 Negotiate, define and communicate the role of the human resource function, and its relationship with other management functions and stakeholders, throughout the organisation. 1.5 Promote the benefits of a diverse workforce in meeting organisational needs. 1.6 Model and promote ethical human resource practices within the organisation.
2. Provide strategic direction in human resource services	2.1 Promote occupational analysis, job design and internal workforce planning principles throughout the organisation to strategically link people development with organisational capability requirements. 2.2 Establish and evaluate recruitment and promotional targets to meet the organisation's capability output needs. 2.3 Provide leadership to develop human resource services that meet the current and future needs of the organisation and its people. 2.4 Consult with senior managers, business units and other stakeholders to inform the development of human resource services, policies and activities. 2.5 Provide human resource services to support the organisation's core business strategic directions. 2.6 Support the services provided by information and documentation to facilitate effective implementation.
3. Manage the human resource function	3.1 Organise work teams and provide adequate direction to enable them to design, implement, maintain and evaluate strategies, plans, programs and processes for human resource services. 3.2 Offer work teams and individuals feedback and coaching. 3.3 Encourage and monitor work teams and individuals to ensure that strategies, plans and processes meet the needs of a diverse employee, client and stakeholder base, and are consistent with legislative and policy requirements. 3.4 Evaluate strategies, plans, programs and processes against related objectives and future organisational requirements and

	adjustments. 3.5 Collect information about the effectiveness of human resource services to inform, in a systematic way, ongoing decision making processes, evaluation and product and service delivery design. 3.6 Prepare a budget that reflects the organisation's human resource service priorities, and ensure resources are acquired and maintained at sufficient levels to provide effective human resource services.
