Assessment Requirements for PSPINM010 Maintain injury management case files

Release: 1

Assessment Requirements for PSPINM010 Maintain injury management case files

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying legislation, regulations and policies relating to maintaining injury management case files
- using written communications, including correspondence, file notes, meeting notes

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation, including work health and safety, and environment
- regulations, policies, procedures and guidelines relating to injury management
- public sector management acts
- privacy legislation
- freedom of information legislation
- procedures that ensure confidentiality and security of personal information
- rules relating to access to personal information
- public sector and organisational record keeping requirements
- reporting requirements

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
