Assessment Requirements for PSPLEG002 Encourage compliance with legislation in the public sector

Release: 1

Assessment Requirements for PSPLEG002 Encourage compliance with legislation in the public sector

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. The candidate must demonstrate evidence of performance of the following on at least one occasion.

- accessing and reading complex and formal documents
- administering legislative requirements
- exercising discretion
- communicating with others involving exchanges of complex oral and/or written information

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- the range of legislation relating to the public sector
- public sector codes of ethics and/or conduct
- consequences of non-compliance
- procedures for acting on and reporting possible breaches of legislation

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
