Assessment Requirements for PSPLEG008 Manage compliance with legislation in the public sector

Release: 1

Assessment Requirements for PSPLEG008 Manage compliance with legislation in the public sector

Modification History

Supersedes and is equivalent to PSPLEG004 Manage compliance with legislation in the public sector.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- analyse and explain complex and formal documents related to compliance with legislation
- prepare a report on compliance with legislative requirements in accordance with organisational requirements.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation, regulations, guidelines relating to the public sector
- public sector codes of ethics and conduct
- compliance issues in a government context, including:
 - application of government processes
 - application of governance practices
 - identifying potential political issues
- evidence-based decision-making processes
- risk assessment planning.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, regulations, guidelines relating to the public sector
- public sector codes of ethics and conduct
- resources and equipment of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
