Application

This unit describes the skills required to investigate tenure applications. It includes preparing complex land tenure and ownership reports, setting tenure conditions and/or covenants, determining rental, and providing advice on tenure administration.

This unit applies to those working in administration roles working with tenure applications.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently, performing complex tasks in a range of familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Competency Field

Public land administration
