# Assessment Requirements for PSPMGT008 Formulate business strategies

## Modification History

| Release | Comments                                                                                                                                                                                                                                                                                              |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1       | <p>These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none"><li>Assessment Requirements created drawing upon specified assessment information from superseded unit</li></ul> |

## Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying environmental scanning
- explaining complex ideas to different audiences
- interpreting and explaining complex, formal documents and assisting others to apply them in the workplace
- preparing written strategies requiring reasoning and precision of expression
- using discussion involving exchanges of complex oral information

## Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- strategic planning processes
- business strategies
- risk management principles and processes
- organisational goals, policies and procedures
- evaluation and review methodologies
- jurisdictional legislation applicable to business strategies, including work health and safety and environmental and sustainability requirements

## Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
