Assessment Requirements for PSPMGT011 Develop partnering arrangements

Release: 1

Assessment Requirements for PSPMGT011 Develop partnering arrangements

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- establishing and fostering trusting, ongoing relationships with individuals and businesses
- using communication styles to suit different audiences and purposes
- explaining complex and formal policies and concepts to a variety of audiences
- applying workplace safety procedures to partnering activities

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector ethics and accountability
- public sector values and codes of conduct
- government policies and procedures relating to public private partnering
- relationship contracting with the private sector
- relationship management in the context of partnering
- management of expectations in the context of partnering
- principles of cultural awareness and cross-cultural communication
- workplace safety issues relating to public private partnering

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
