Assessment Requirements for PSPPCM007 Manage contracts

Release: 1

Assessment Requirements for PSPPCM007 Manage contracts

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- consulting and negotiating with contractors and stakeholders, involving complex oral and written exchanges of information
- networking, within probity boundaries, with diverse stakeholders and contractors
- interpreting complex documents, including contracts, legislation and guidelines
- applying simple supply chain and supplier issues management techniques

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- commonwealth, state or territory, and local government legislation, policies, practices and guidelines relating to contract management, including environmental purchasing and corporate social responsibility guidance
- contract performance management
- privacy and confidentiality issues
- probity principles and issues
- financial and accounting issues relevant to the contract

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
