Assessment Requirements for PSPPCM010 Manage procurement risk

Release: 1

Assessment Requirements for PSPPCM010 Manage procurement risk

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- writing risk management plans using templates or a recognised risk management methodology
- interpreting complex, formal documents
- making verbal and written recommendations about the management of procurement and contracting risks
- analysing risks associated with procurement and contract
- managing and updating the risk management plan
- learning skills to keep up-to-date with relevant procurement legislation, policies and procedures

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- Commonwealth, state or territory, and local government legislation, policies, practices and guidelines relating to contract risk management
- organisational procurement policies, practices and approval processes
- risk management procedures
- probity principles and issues, particularly as they relate to probity risks
- codes of conduct, codes of practice and standards of individual behaviour relating to the procurement process

- risks associated with financial and accounting issues relevant to procurement and contract management
- supplier issues and supply chain management in the context of procurement risk management
- aspects of law of contracts, trade practices law and commercial law relevant to risk management relating to complex procurement
- equal employment opportunity relevant to procurement and contract management
- environmental, sustainability and corporate social responsibility principles relevant to procurement and contract management

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors
