Assessment Requirements for PSPPCM019

Divest strategic assets

Release: 1

Assessment Requirements for PSPPCM019 Divest strategic assets

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- consulting and negotiating with stakeholders
- networking, within probity boundaries
- building and managing effective working relationships
- writing business cases, disposal plans, reports, submissions and other complex documents
- demonstrating problem-solving skills to apply decision-making processes or methodologies
- identifying and assess divestment options for strategic assets
- planning and organising skills to manage financial and other resources

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- Commonwealth, state or territory, and local government legislation, policies, practices and guidelines.
- financial rules and regulations relating to divestment of strategic assets
- legal requirements of government strategic asset disposal
- implications of divestment of service provision
- whole of life considerations
- disposal approval processes
- probity principles and issues

- codes of practice, codes of conduct and standards of individual behaviour relating to asset divestment
- law of contract relating to strategic asset disposal
- trade practices law relating to strategic asset disposal
- commercial law relating to divesting strategic assets

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
