Assessment Requirements for PSPPCM025 Influence and define strategic procurement direction

Release: 1

Assessment Requirements for PSPPCM025 Influence and define strategic procurement direction

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- consulting and negotiating with stakeholders at the highest levels of organisations and the community
- engaging in strategic networking and influencing, within probity boundaries, with key stakeholders and decision makers
- conveying complex ideas to a wide range of audiences
- reading, writing and approving business cases, plans, reports, submissions and other high level complex documents
- managing teams of expert negotiators in different functions
- undertaking research and business analysis relating to strategic procurement and high level business issues
- managing financial and other resources

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- Commonwealth, state or territory, and local government legislation, policies, practices and guidelines relating to strategic procurement, including environmental purchasing guidance
- organisational procurement policies, practices and approval processes
- government procurement environment
- probity principles and issues

- codes of conduct, codes of practice and standards of individual behaviour relating to strategic procurement
- financial rules and regulations relating to strategic procurement
- competition theory as it relates to strategic procurement
- strategic procurement planning processes
- procurement best practice standards
- environmental, sustainability and corporate social responsibility principles relevant to strategic procurement

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
