Assessment Requirements for PSPREG009

Conduct search and seizure

Release: 1

Assessment Requirements for PSPREG009 Conduct search and seizure

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- undertaking analysis and observation
- completing records using formality of language and structure
- exchanging often complex oral information in a form to suit diverse audiences
- applying public sector legislation, including work health and safety and environmental procedures, in the context of search and seizure

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- enabling legislation, regulations and guidelines
- search procedures
- organisational procedures, including those dealing with physical evidence or obtaining a warrant, where relevant
- roles of expert and/or other personnel
- procedures for dealing with physical evidence
- rules of evidence
- use of equipment and resources
- public sector legislation and standards

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
