Assessment Requirements for PSPREG014 Conduct surveillance

Release: 1

Assessment Requirements for PSPREG014 Conduct surveillance

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- planning surveillance
- undertaking contingency planning
- undertaking risk assessment in the context of surveillance
- operating technical equipment
- using information technology to record information and prepare reports
- completing reports using formality of language and structure
- exchanging often complex oral information in a form to suit diverse audiences

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation
- international treaties and protocols
- cross jurisdictional protocols
- link between surveillance operation, organisational strategic objectives and national strategic objectives
- security constraints

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
