Assessment Requirements for PSPREG031

Carry out inspections and monitoring under guidance

Release: 1

Assessment Requirements for PSPREG031 Carry out inspections and monitoring under guidance

Modification History

Supersedes and is not equivalent to PSPREG001 Carry out inspections and monitoring under guidance.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on two occasions:

- assist with an inspection or observation:
 - provide analysis of findings
 - identify any non-compliance and recommend actions
 - write a report using standard formats
 - apply work health and safety procedures for operating equipment required during inspection.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation and regulation that applies to routine inspections and monitoring in own job role
- organisational policies, procedures and protocols for routine inspections and monitoring
- inspection and examination procedures
- monitoring procedures
- elements of an offence
- responses to routine non-compliance
- risk management practices
- court attendance requirements
- workplace and industry environment relevant to own job role.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation and regulation that applies to inspections and monitoring
- organisational policies, procedures and protocols for inspection and monitoring
- resources and equipment of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
