Assessment Requirements for PSPREG032

Undertake routine inspections and monitoring

Release: 1

Assessment Requirements for PSPREG032 Undertake routine inspections and monitoring

Modification History

Supersedes and is not equivalent to PSPREG002 Undertake routine inspections and monitoring.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- undertake one field orientation
- conduct two regulatory inspections, and for each inspection:
 - write a report using standard formats
 - provide analysis of findings
 - identify any non-compliance and recommended action
 - identify any offence that requires prosecution
 - store documents and records in accordance with organisational procedures.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation and regulation that applies to routine inspections in own job role
- organisational policies, procedures and protocols
- inspection and examination procedures
- monitoring procedures
- enabling legislation
- elements of an offence
- responses to non-compliance
- court attendance requirements
- workplace and industry environment relevant to own job role.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation and regulations relating to routine inspections
- organisational policies, procedures and protocols for inspection and monitoring

- workplace equipment and vehicles.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
