Assessment Requirements for PSPREG036 Act on non-compliance

Release: 1

Assessment Requirements for PSPREG036 Act on non-compliance

Modification History

Supersedes and is not equivalent to PSPREG008 Act on non-compliance.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- attend two situations where non-compliance is suspected or alleged and for each of the situations:
 - undertake risk assessment prior to attending situation
 - apply appropriate legislation and regulatory tools to the situation
 - identify action required
 - write a report using standard format.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation and regulation that applies to non-compliance for area of jurisdiction
- organisational policies, procedures and guidelines relating to suspected or alleged non-compliance visits
- organisational parameters for decision-making
- range of appropriate actions possible for different offences
- negotiation skills in the context of achieving compliance
- awareness of social and cultural issues.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation and regulation that applies to non-compliance for area of jurisdiction
- organisational policies, procedures and guidelines relating to suspected or alleged noncompliance visits
- range of actions appropriate for non-compliance under the legislation, regulations and standards for area of jurisdiction
- resources and equipment of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
