Assessment Requirements for PSPREG041 Conduct surveillance

Release: 1

Assessment Requirements for PSPREG041 Conduct surveillance

Modification History

Supersedes and is equivalent to PSPREG014 Conduct surveillance.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- plan surveillance
- undertake contingency planning
- undertake risk assessment in the context of surveillance
- operate technical equipment
- use information technology to record information and prepare reports.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation and standards relating to surveillance
- policies, procedures and organisational guidelines relating to surveillance
- international treaties and protocols
- cross jurisdictional protocols
- links between:
 - surveillance operation
 - organisational strategic objectives
 - national strategic objectives
- security constraints
- work, health and safety considerations for surveillance operations.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, standards, policy, procedures and organisational guidelines relating to surveillance
- resources and equipment required to conduct the surveillance activities.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
